2008 Primary Election Ballot Choices

There are three ballot types – you may vote ONE

Your party affiliation listed on the precinct register will determine the ballot type you are eligible to vote.

Ballot Type	Candidates on Ballot	Who Can Vote This Ballot
A-D-L Candidate and Ballot Measures	**Alaskan Independence Democrat Libertarian**	**Any registered voter** Party affiliation listed on register is: (A – D – G – L – M – R – N –U – V)
Republican Candidate and Ballot Measures	**Republican**	**Voters registered as: Republican, Undeclared and Nonpartisan** Party affiliation listed on register is: (R - U – N)
Measures Only	**No Candidates** This ballot contains ballot measures only.	**Any registered voter**

If you request a primary ballot type that you are not eligible to vote, you must vote a questioned ballot.

If you would like to vote for just the ballot measures and not vote for any candidates, you may request the measures only ballot.
